

Connor Atkins

VIDEO EDITOR | GRAPHIC DESIGNER | CREATIVE PRODUCTION | HVACR FIELD EXPERIENCE

Pleasure Island, NC 910-612-0538 atkinsconnorr@gmail.com <https://www.connoratkins.art/>
<https://www.linkedin.com/in/connoratkins/>

Creative production with field-tested follow-through: I make visuals cleaner, edits tighter, brands easier to understand, and projects easier to finish.

WHAT I OFFER

EDIT FOR IMPACT

Pacing, story clarity, commercial edits, interviews, documentaries, sports edits, music edits, and social-ready video.

DESIGN THE IDENTITY

Logos, apparel graphics, business cards, promotional visuals, brand concepts, layout, and portfolio presentation.

FINISH THE JOB

HVACR field work adds reliability, communication, troubleshooting, patience, and real-world work ethic.

TOOLS & FOCUS

Adobe Creative Cloud

Video Editing

Post-Production

Graphic Design

Brand Identity

Layout

Production Planning

Portfolio/Web

CREATIVE SIGNATURE

Multidisciplinary video editor and graphic designer with 12+ years of hands-on editing and design practice, 3 years of formal film/video production education, and 5 years of practical HVACR field experience. Known for clean visual flow, brand-minded thinking, practical problem-solving, customer-aware communication, and reliable follow-through.

PROFESSIONAL EXPERIENCE

Freelance Video Editor and Graphic Designer

Self-Directed and Freelance Creative Production | 2011 - Present

- Edited commercial, interview, documentary, student film, social, sports, and music-focused content with attention to pacing, story clarity, and clean visual flow.
- Built a portfolio spanning portrait reels, school film work, music and sports edits, graphic design, branding concepts, and web presentation.
- Created brand identity and promotional assets including logo concepts, apparel graphics, business cards, streamer assets, and marketing visuals.
- Managed self-directed creative work from concept through execution, revision, polish, and delivery while adapting to changing expectations.

HVACR Installer / Field Technician

Michael and Son Services | 2021 - Present

- Perform HVACR installation and field-support work in active job-site environments requiring safety awareness, reliability, cleanliness, and attention to detail.
- Communicate with team members and customers on job-site needs, timelines, access, work quality, and follow-through.
- Troubleshoot practical installation challenges, adapt to changing field conditions, and complete physically demanding work with professionalism.
- Apply trade-based habits to creative production: diagnose the issue, prioritize the fix, adapt quickly, and finish cleanly.

PROOF OF WORK

Video: Commercial edits, photo-to-video ads, interview work, documentaries, student films, sports edits, music edits, and portrait reels.

Design: 2016-2026 graphic archive, brand visuals, apparel concepts, business cards, promotional materials, streamer assets, and layout work.

Branding: Logo systems, apparel branding, small-business visual concepts, social identity work, and web portfolio presentation.

EDUCATION

Cape Fear Community College

Film and Video Production Technologies

Dean's List for most attended terms; substantial production coursework completed with approximately 15 credits remaining.

Eugene Ashley High School

Adobe Creative Cloud Program

Early foundation in Adobe Creative Cloud, digital design, and video editing.

CAREER FOCUS

Creative production, video editing, graphic design, brand support, content creation, entry-level media production, and technical roles where visual judgment, communication, reliability, and problem-solving matter.
